

WIRRAL LEISURE BOOKING RULES AND PROCEDURES (COVID)

"All players, officials, volunteers and spectators must undergo a self-assessment for any covid-19 symptoms. No one should leave home to participate in football if they, or someone they live with, has any of the following:

- A high temperature (above 37.8°)
- A new, continuous cough:
- A loss of, or change to, their sense of smell or taste.

If a participant becomes covid-19 symptomatic during activity, they should immediately remove themselves from the session and return home as soon as possible. NHS guidance on further management of symptoms should be followed.

If an individual becomes symptomatic post an activity they must follow the nhs test and trace guidance."

Spectators: we would request that the minimum number of spectators attend, only those who are required to get participants to and from the activity. Spectator groups must be restricted to discreet six-person gathering limits and spread out, in line with wider government guidance, ensuring space for officials, coaches and substitutes. No spectators will be allowed within the boundary of any caged/fenced pitch.

All bookings must be paid prior to attendance, including block bookings.
